

October 30, 2014

I don't know of a better, more nurturing, more supportive venue for playwrights and new work than the New Theatre! The entire staff and cast have been awesome in their desire to help me realize the potential of my new play. It's been a spectacular experience and I feel like a real playwright once again.

BRAVO TO THE NEW THEATRE and MAY THEY LIVE LONG AND PROSPER!!!

Richard Krevolin

Playwright, *The Gospel According to Jerry*
